ABOUT

As one of the leading manufacturers of playgrounds and outdoor fitness equipment, Honey Fun-N-Thrill Co. has over 27 years of experience in developing top-notch playground and outdoor fitness equipment in India. Over the years, Honey Fun-N-Thrill Co. has multiplied its list of products from a single merry-go-round to a broad range of playground and outdoor fitness equipment. With the knack of visualizing where the fitness industry is headed, Honey Fun-N-Thrill Co. wishes to take recreational equipment to an exciting new level.

Whether you are an architect, park owner, developer, or an educational institute owner, Honey Fun-N-Thrill Co.'s national network of knowledgeable consultants will help make your recreation area, as well as your play area fun and beneficial. We are committed to providing equipment with innovative, creative and unique design solutions giving maximum attention to:

- 
 SAFETY
- +
- 
 QUALITY
- +
- 
 AESTHETICS
- +
- 
 PLAY VALUE

AIMS & OBJECTIVES

To inculcate the importance of 'fitness culture' in people of all ages.

To empower people to improve their physical and mental well-being.

To encourage physical activity to help break the chain of the current sedentary lifestyle.

To promote the far-reaching positive effects of physical activities and fitness.

To provide children/adults with smart and creative playground equipment.

THE IMPORTANCE OF PLAYING

Imperative for healthy brain development.

Helps develop the imagination, dexterity, physical, cognitive & emotional strength in children.

Facilitates a child's interaction with his peers.

Enhances a child's confidence and resilience.

Improves decision-making ability in children.

UNIQUE BENEFITS OF AN OUTDOOR GYM

An outdoor gym is considered more restorative and refreshing as compared to an indoor gym.

The addition of nature and fresh air makes exercising fun, which reduces stress and encourages positive behaviour.

The outdoor equipment requires no electricity, thus, encouraging an eco-friendly lifestyle.

An outdoor gym encourages people to socialize while exercising, which strengthens interpersonal relationships.

An outdoor gym influences even the behaviour of non-exercisers, tempting them to work out too.

OUR INNOVATIVE MULTIPLAY & DUPLEX CONCEPT

Accommodates 20–50 kids at a time, on each multi-play set.

It requires less space for installation.

Uses standardized and high-quality materials.

Aims to provide best-in-class quality and child-friendly designs.

It has no sharp edges, which makes it safe for kids to play.

WHY CHOOSE HONEY FUN-N-THRILL CO.?

FRP Range

We assure longer product durability as compared to any of our competitors.

- Our platform decks and bridges, for multi-purpose playstations, are supported with MS angle frame moulded with FRP. This protects our products from breaking and increases their load-bearing capacity too.
- Our deluxe range FRP slide chutes are sturdy due to their 6-7 mm thickness and quality finishing, unlike our competitors' products which have just 3-4 mm thickness.

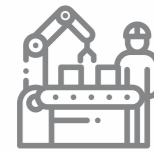

Roto Range

- Our roto-moulded slides have no fillers and are made of 100% virgin material. They come with a 4-year colour fade warranty and have a thickness similar to the FRP products.
- The decks and bridges for Roto range are made from high strength mild steel sheets with an anti-skid design pattern, coated twice- once with Akzonobel's anti-corrosive primer powder and secondly with pure polyester powder.

- Our swing chains are coated with Plastosol, to prevent them from rusting, and are then mounted inside a specially designed nylon clamp for noiseless movement. The seats and footrests of our outdoor equipment are made of durable and sturdy ABS plastic.
- Our team of experts is well equipped to help you with the installation process.
- All our products come with changeable or replaceable attachments and parts.
- Our services are prompt and efficient.
- We are highly trusted by all our clients, who continue to associate with us, year after year.

MANUFACTURING UNITS

Honey Fun-N-Thrill Co. remains committed to producing quality products that will stand the test of time. We have two manufacturing units, where all the playground and fitness equipment are manufactured under a strict quality assurance program.

Head office and 1st manufacturing unit located @ Ghodbunder Village Road, Mira Road, Thane.

2nd manufacturing unit located @ Waliv Village, Vasai, Dist. Palghar

GENERAL FEATURES

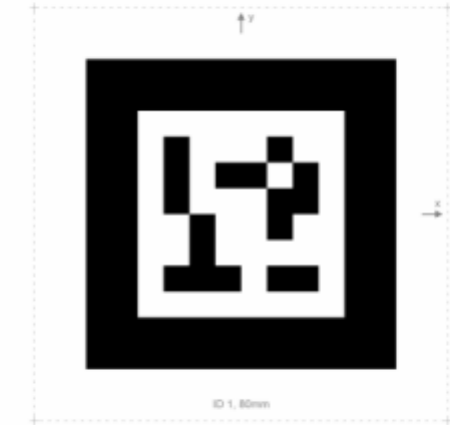

- All powder coating colour is TGTC (Triglycidyl Isocyanurate) and lead-free.
- Our powder coating passes the 1000-hour salt spray test and MEK solvent resistance rub test- ASTM D5402.
- No hazardous or harmful products, or chemicals are used.
- Roto moulding powder used is food grade.

Multi Purpose Play System (MPPS) OR Theme MPPS

We constantly strive to bring new product designs & Innovations to our products.

We have also added a variety of MPPS Roofs, Panels, Attachments, etc made in HDPE / LLDPE which make the Play Equipments look more attractive.

BUILD YOUR MPPS IN FEW EASY STEPS:

Identification of space

- Check Available space and whether a Single Deck Unit is feasible or Multi Deck Unit. * Minimum area Size of 6 x 4 Metres is required to design a Basic Multi Play Unit.
- Select Platform Decks: Different Heights & Shapes, wherein each shape denotes the number of attachments that can be put up – 4, 6 & 8 Sided decks are available.
- Add FRP/ROTO Slides: Straight, Waves, Curve, Spiral, Double or Roller slides can be selected keeping in mind the Deck height(s) selected. Number of slides should Ideally be as 1 Slide for 4-6 Kids.
- Connect Decks: Two or more Deck Platforms can be connected with Various Bridges, Ramps & Crawl Tubes so Playing Traffic can be controlled.

Climb Up N Down:

- Add easy to Climb FRP Ladders or Challenging Scramblers to help kids be physically fit and healthy, learning reflexes and movement control, developing fine and gross motor skills and increasing flexibility and balancing skills.
- Swing Around: Adding Swings and See Saw to Multi Play Units are essential as they are the equipments kids enjoy and use the most.
- Finishing Touch: Attractive Slide Entry, Roofs, Railings, Flowers, Butterflies, Monkeys, Bamboo Canopies and many more attachments are added to attract more children.
- Safety Flooring: Final aspect to a Play area is the Safety Flooring. It is very Important to provide children with a play area flooring which is very safe for them as it is a high possibility that children tend to fall or trip over while playing or running. For various attractive Rubber Flooring options Refer the "Know Safety, No Pain" section of the Brochure so Playing Traffic can be controlled.

Let us know your short listed Products and Our Team of Designers with the best of Knowledge & Technical Know – How & Expertise will be more than happy to make a Computer Aided Design of your MULTI PLAY UNIT which Fits in the Area Mentioned along with the Products specified keeping in mind the Technical aspects and constraints & a QUOTE for the same shall also be provided so ESTIMATED EXPENDITURE can be identified.

OUR ENTIRE PRODUCT RANGE

▲ **PLAYGROUND EQUIPMENT**

This category contains multi-purpose play stations, slides, swings, see-saws, merry-go-rounds, scramblers, fun-and-thrillers, benches, and dustbins.

OUTDOOR FITNESS EQUIPMENT ▼

An outdoor gym is considered more restorative and refreshing as compared to an indoor gym. Thus, our equipment is designed to encourage an outdoor fitness routine. The addition of nature and fresh air makes exercising fun, reduces stress and encourages a healthy lifestyle.

▲ **OUTDOOR MUSICAL EQUIPMENT**

Our outdoor musical equipment encourages participation in outdoor activities while making music fun and thrilling.

FLOORING

We have introduced synthetic rubber flooring 'Play Max' for children's play area, outdoor fitness area, jogging tracks, indoor gym area, etc. The brightly colored EPDM granules provide a strongly-absorbing, hard-wearing safety surface. The granules give a resilient, consistent and an all-weather surface for any indoor and outdoor activities.

ROPE SERIES (EXCLUSIVE)

We manufacture exclusive rope series equipment for children, using the best quality raw material and advanced techniques.

CLIENT TESTIMONIALS

(need testimonials from these brands)

Honey Fun N Thrill Co has been associated with Children's Academy Group of Schools for more than a decade. We have had a very pleasant association with them for our requirements of supply and installation of Playground Equipment for our schools.

- Children Academy, Malad - Mumbai

Honey Fun N Thrill Co has been associated with Children's Academy Group of Schools for more than a decade. We have had a very pleasant association with them for our requirements of supply and installation of Playground Equipment for our schools.

- Cosmos Group- Mumbai

It was truly a pleasure working with HONEY FUN N THRILL CO as we began developing a new playground for our school. They made every effort to provide a variety of options for us and were very helpful and responsive.

- CP Goenka School

We have purchased several playground items from HONEY FUN N THRILL CO for our various residential projects and have been extremely pleased and satisfied with them all. The playground equipment we have ordered has always been of high- quality, are easy to maintain and keep clean, are very durable, and meets all safety requirements.

- Siddhi Group

What a great experience it was to work with the wonderful people from HONEY FUN N THRILL CO. The honesty and personal attention I received from the estimating phase all the way through the installation were top-notch.

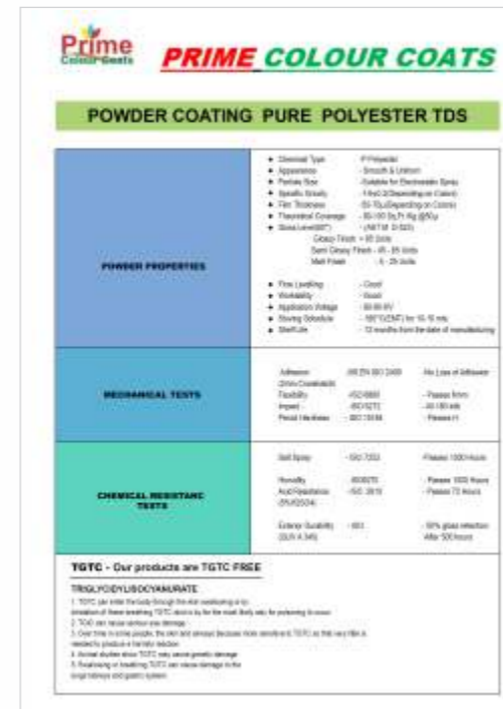

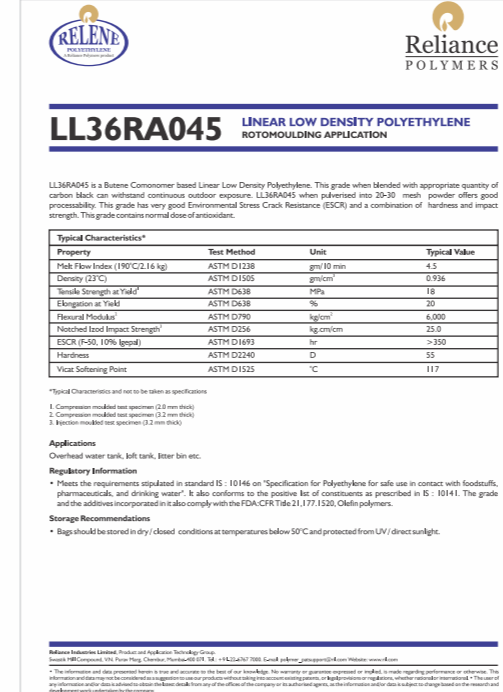

- T3 Raj Enterprises

It was a pleasure working with your team for developing the playground equipment for our Plaza. Our architect had a unique colour scheme requirement which you were able to meet.

- Triose Pvt Ltd
